COPENHAGEN

Copenhagen (Denmark's capital) was founded by Bishop Absalon in the 12th century. Its beautiful center is rich in 17th and 18th century architecture, museums and lively squares and pedestrian streets with plenty of restaurants, cafés, pubs, and shopping opportunities. The numerous recreational areas include the waterfront and the remains of the fortification surrounding the old city with a ring of lakes and parks including the Tivoli Gardens. For more information: <http://www.visitcopenhagen.dk>.

**RECEPTION
MONDAY, SEPTEMBER 9, 2019
(19:30-21:30)**

**PARTICIPANTS, INVITED SPEAKERS
AND ACCOMPANYING PERSONS**

The reception will be held at **Café Mazzolis** located in **Tivoli**, the old amusement park.

Situated in Tivoli Gardens in the city center, the building in which Café Mazzolis is located has – at times – been Tivoli's ball room, the hippodrome and confectioner's tea room – since it was built in 1883.

The elegant architecture of the facade has been preserved while inside the restaurant is characterized by modern Scandinavian design as a counterpoint to the period exterior. In the same vein, the modern, Italian inspired cuisine can be enjoyed against the traditional background of a wonderful view of the Tivoli Lake and Promenade.

Dress code: Smart casual.

*No transportation will be provided for this event.
A group will assemble in the lobby and walk from the hotel to
Café Mazzolis at 19:15*

BANQUET
WEDNESDAY, SEPTEMBER 11, 2019
(19:30-23:00)

PARTICIPANTS, INVITED SPEAKERS
AND ACCOMPANYING PERSONS

The banquet will take place at **The University of Copenhagen Ceremonial Hall** located at Vor Frue Plads, 1017 Copenhagen K.

The University is situated right across from the cathedral of Copenhagen, Vor Frue (Church of our Lady). The University was established more than 500 years ago, in 1479, but the present buildings are from the 19th century. With its more than 530 years, the University of Copenhagen is one of the oldest universities in Northern Europe. Being the largest institution of education and research in Denmark, the University has gone through numerous changes through the ages.

We are proud to hold the banquet in one of the city's most beautiful rooms, the University of Copenhagen Ceremonial Hall. The building was opened in 1836, but not until 60 years later was the decoration of the rooms finished. The Ceremonial Hall is decorated with paintings showing the University's history, an example is Wilhelm Marstrand's painting from 1871 showing the University's inauguration in 1479.

Dress code: Smart (Jacket, tie not required).

No transportation will be provided for this event.
A group will assemble in the lobby and walk from the hotel to the University at 19:20.
